EXPERIENCE

Junior Theater Festival Teacher/Discussion Leader 2024-2025

- Taught and led workshops in technical theater to highlight the importance of creativity in found objects for the purpose of creating props and sets cheaply and efficiently.
- Led group discussions with youth artists (K-12th) after adjudications to ease nervous systems, focus on positive reinforcement, promote thoughtful evaluations, and to set goals for growth and fun going forward.

iTheatrics Summer Camp Intern/Prop Master 2023

- Worked with new groups of over fifty new students weekly to rehearse and put on brand new "Jr." or "Kids" musical for producers like *MTI*, *Dreamworks*, *Disney*, and more.
- Worked with students on line memorization, character building, expressions, choreography, music understanding and performance, and more.
- Designed and built props every week for each new show out of owned, found, or cheap materials.

Studio Wayne Director/Educator 2019-2023

- Directed youth production of musicals such as "The Lightning Thief", "The Aristocats Jr.", "The Lion King Jr." and more!
- Led workshops and classes including dance, improv, playwriting, acting, technical skills, special effects, and more!

YMCA Educator 2020-2021

- Worked with the local public schools to provide and teach classes focused around the arts to underprivileged communities or communities that had little to no arts education built into the school programming.
- Led traditional art classes including painting, drawing, etc, as well as theatrical art classes including movement, character, dance, improv, and more.
